

# CSR Asia Summit 2018

18-19 September | Kowloon Shangri-La | Hong Kong | #CSRAsia18

**TRANSPARENCY. INTEGRITY. IMPACT.**

It's approaching. Asia's most anticipated event for responsible and sustainable business transformation convenes at CSR Asia Summit 2018 in Hong Kong on 18-19 September 2018.

This year's conference brought to you by CSR Asia, an ELEVATE company, centres around Transparency, Integrity and Impact—the foundations of high performing, responsible organisations.

At CSR Asia Summit 2018, you will join 500 regional practitioners and thought leaders to

- **Develop effective strategies** for sustainability, risk prediction, impact measurement and integrating the SDGs into your strategy in a world that is rapidly changing
- **Prepare for disruptive technologies** and legislation affecting transparency and trust
- **Capitalize on emerging opportunities** and latest developments vital for your competitive advantage
- **Enjoy a new supply chain stream** on the latest developments in responsible sourcing in Asia, which incorporates the focus of the ELEVATE Leadership Series events previously held in Hong Kong

Business, government and civil society representatives are invited again to co-create Asia's leading summit tackling global trends in responsible business practice and specific regional opportunities.

[Register today for the CSR Asia Summit 2018](#) to benefit from early bird pricing and stay on top of transformative change and impact in our industry.

## Programme Highlights – CSR Asia Summit 2018

Programme Highlights – CSR Asia Summit 2018			
Day 1	<b>Welcome and Keynote</b>		
	<b>Leadership Panel</b>		
	<b>Business Strategy &amp; Transparency</b>	<b>Supply Chain Integrity &amp; Innovation</b>	<b>Emerging Issues and Impact</b>
	Women in the Workplace: Asian Perspective	Global Trends in Responsible Sourcing 2018 with Ian Spaulding	Fixing a Broken Food System: Drivers of Change in Asia
Day 2	Sustainability Storytelling in the Digital Age: The Future of Reporting	Enhanced Worker Engagement in Global Supply Chains	Climate Resilience: Addressing the Business Risks
	The Rise of the Responsible Consumer: Trends to Watch in Asia	Migrant Workers, Trafficking & Modern Slavery	Fake News? Impact and Responsibility of Social Media

	Sustainable Finance – Separating Myth from Fact	Green Lights, Red Tape: Tackling Environmental Regulations in Supply Chains	What is Your Social Impact? How to Evidence Effectively
	<b>Closing Session</b>		

**Business Strategy and Transparency:** Modern Slavery and disclosure legislation as well as the SDGs are increasingly requiring transparency and due diligence. However, business driven sustainability cannot be legislated; it demands the right approach to strategic planning and skills development.

**Supply Chain Integrity and Innovation:** From disruptive technologies to product individualisation, the pace of change in supply chain management is unparalleled. Keep up and learn from pragmatic sessions with subject matter experts and actionable takeaways.

**Emerging Issues and Impact:** From food production to waste management crisis and social media—regional and global developments will impact your business. You need to understand your responsibility and impact.

**Leading companies and organisations who have attended or sponsored CSR Asia Summit**

“Having recently arrived in Asia, the CSR Asia Summit afforded me the perfect opportunity to learn about the latest trends & best practices on sustainability & corporate social responsibility in this part of the world”
